

## Monthly Topics – 2022

Month	Topic	Description	Image Deadline	Club Meeting
Jan	Summer Holiday	<b>Special Holiday Topic</b> (for a bit of fun) Images must be taken from a <u>Mobile Phone</u> and will be judged by popular choice at the February meeting	Fri, 29-Jan-22	Wed, 2-Feb-22
Feb	Triptych	A presentation made up of three (and only three) distinctly separated photographic images displayed on a common background. The background should complement the presentation of the three images but must not become a significant 'fourth image' in the message of the triptych's three images. No titles must appear in the background.	Wed, 2-Feb-22	Wed, 2-Mar-22
Mar	Shadows	Shadows are something a lot of photographers try and avoid but the challenge here is to make them work to your advantage. Pay attention to the shape of the shadows – or how they can separate your composition. Use them as subtle graphic elements to help tell your story. Interpret this into a masterpiece.	Wed, 2-Mar-22	Wed, 6-Apr-22
Apr	Leaves	Photograph a leaf (or leaves). Trees, flowers, grass, indoor plants – all have leaves, many in diverse colours and shapes. Hint: Make your photo interesting by looking for interesting shapes, patterns, colours and lighting. Maybe experiment with sharp and shallow depth of field.	Wed, 6-Apr-22	Wed, 4-May-22
May	Intentional Camera Movement (ICM)	Throw caution to the wind, go against the usual need for a steady hand in photography and experiment with ICM. Move your camera while the shutter is open and explore the freedom and range of creative opportunities this offers you as a photographer.	Wed, 4-May-22	Wed, 1-Jun-22
Jun	Mid-Year Comp	<ul style="list-style-type: none"> <li>• Night</li> <li>• Nature</li> <li>• Black &amp; White</li> <li>• Prints: Open Theme</li> </ul>	Wed, 1-Jun-22	Wed, 6-Jul-22
Jul	Looking Down & Audio Visual Comp	When one thinks of 'Looking Down' photography, the first thought that comes to mind is drone photography. But it doesn't have to be. Use your creativity and explore the possibilities.	Wed, 6-Jul-22	Wed, 3-Aug-22
Aug	Reflections	Photograph an image that contains a reflection off any type of surface – reflections on metal, glass or water.	Wed, 3-Aug-22	Wed, 7-Sep-22
Sep	Architecture	Old, new, small, large, a piece of a whole, the exterior, interior, whatever suits. Hint: In Architecture Photography, you need to focus on composition rules a lot. A building can look stunning but if not fit in the frame appropriately, it might look average in the photo.	Wed, 7-Sep-22	Wed, 5-Oct-22
Oct	Green	An image where the vast majority of the main subject is green. The subject can be alive or inanimate.	Wed, 5-Oct-22	Wed, 2-Nov-22
Nov	Year-End Comp	<ul style="list-style-type: none"> <li>• Best Digital</li> <li>• Best Print</li> <li>• Set of Six</li> </ul>	Wed, 2-Nov-22	Wed, 7-Dec-22
